

Whalley Range Year 5 English Taster Lesson

We all hope you are doing well.

We look forward to potentially welcoming you to Whalley Range High School in a year's time.

We are sorry that we can't currently see you in person.

This lesson will use some of the skills that you have worked on at primary school and will give you some creative ideas for describing the senses.

Task:

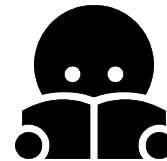

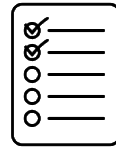

Imagine you are on the spaceship that you have designed in Maths and Science.

Use the planning resources to organise your ideas.

Today's Four Steps to a Great Story

1. Planning our story.
2. What do we already know?
3. What words could we use?
4. Rereading and redrafting.

Planning

The take-off

Words

what's it like?

The journey

Words

what's it like?

The planet

Words

what's it like?

Something else you think would be interesting

Words

what's it like?

Review and redraft

1. Reread your work
2. Reread your work to somebody else
3. Reread your work again
4. Ask yourself the question, 'what would happen if...'
