

Project Day Transition Task

2020

Project Day

Module 1 Myself

What makes up your identity and makes you unique is not just one thing. You are like a suitcase packed with lots of different things that make you, YOU

Your Task:

To create your own 'This Is Me Suitcase.'

Include as many different things as you can which would help someone else to understand who you are and what makes you unique.

I have given you an example on the next slide.

You can do this by adding words and pictures using a computer or you can print or copy the blank suitcase and create your identity using words, drawings and / or collage.

This is me...

The places I was born/ brought up live now

My religion/ beliefs

Information about my job/ what I do

Foods that I love to eat and cook

Hobbies

A picture of my traditional cultural dress a Sari

Occasions and celebrations that are special to me

Somethings that are personal to me -

Favourite Books/ music

Other things to think about and include:

- Strengths

- Fears
