

DofE impact during COVID-19

How has The Duke of Edinburgh's Award helped to transform the lives of young people during this time?

Whalley Range High School

To help slow the spread of coronavirus, between 23 March - 31 August 2020 all educational establishments in England were temporarily closed for young people outside of the identified priority groups.

During a time when the nation was asked to stay at home, isolate and distance themselves from others, your young people went above and beyond, using this time to develop themselves even further.
