

How to sign up for Doodle Parent

1. Create a Doodle Parent Account

Go to <https://www.doddlelearn.co.uk/app/parent/login>

Click **here** to create a new account

Fill out your details and press **'Create account'**

You will then be taken to this screen (below), go to your email account to see the confirmation email

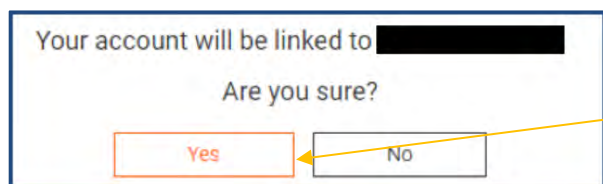

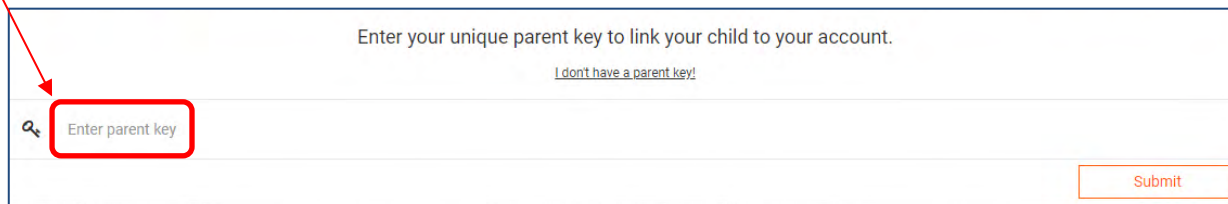

Click the **link** in the confirmation email

This will take you to the 'Doodle Parent – Log in' screen (at the top of this guide). Use your email and new password to log into your account

2. Entering the Doddle Parent Key(s)

You will now be asked to enter your Unique Parent Key, you should have been sent this, and it can be found at the bottom of all progress reports for your child. Copy and paste it into the **box**, and press 'Submit'. (If you have more than one child that uses Doddle you will have more than one Unique Parent Key)

Check that your child's name is showing and press **'Yes'**

3. Using Doddle Parent

Your account has now been created. You should see the screen below, showing your child's progress information. You can click 'Switch to Homework' to see any Doddle Homework.

If you have more than one child using Doddle, click on the **arrow** next to your child's name. You will be given the option to add another child to your account using the Unique Parent Key that is linked to them
