

10 things a student should do when completing hegarty $maths$ homework

	Student checklist for good hegarty $maths$ homework	✓ or ✗
1	I always write the date, title, clip number and H/W for all my tasks.	
2	I always watch the video before attempting the questions.	
3	I always take full notes of all the examples modelled in the video.	
4	I copy every question that I attempt in my book.	
5	I show all my workings for every question in the quiz that I do.	
6	I try to model my work the way I was shown in the video by Mr Hegarty.	
7	I use a pencil and ruler for all diagrams.	
8	I mark my work correct/incorrect as I go.	
9	I write down corrections when hegarty $maths$ tells me the correct answer.	
10	I write down my score at the end of quiz.	

4 things you should do when you want to do extra work

1) Use your donut to improve your weak areas: Click the red or amber section to find the quizzes you need to improve (**quizzes under 70%** and **quizzes over 70%**) and redo them until they are green (**quizzes at 100%**).

Click here to find your red and amber scores to improve

2) Fix up 5: hegarty**maths** remembers every mistake you have ever made and generates a quiz with 5 questions from different parts of maths that you are weak on so you can re-do them with the video and **Fix Up!**

Try 5 questions you can correct!

3) Learn a new section: Your teacher may have given you a revision list of clips so you can now use that to find a clip on hegarty**maths** that is appropriate for you. Watch the video and do the quiz for a clip you haven't done before.

4) MemRi: Your teacher will decide how many MemRi quizzes you need to do per week as part of your home learning, but you can always do more!

The screenshot shows the HegartyMaths user interface. At the top left is the logo 'hegartymaths'. To its right are navigation options: 'Choose lesson', a search bar 'Search HegartyMaths', and a 'Revise' button. Further right are 'My tasks' (with a red notification badge '11'), 'My scores', and the user's name 'Zara' with a profile icon. Below the navigation bar, there's a 'Weekly goal' section with a 'Start quiz' button on the left and a large green box displaying '3,633' on the right. Below this is a '8 Maths 1 Weekly rank' table. A callout box with an orange border and arrow points to the 'Start quiz' button.
