

My Year 10 Wordsmith Journey: GCSE English Language & Literature

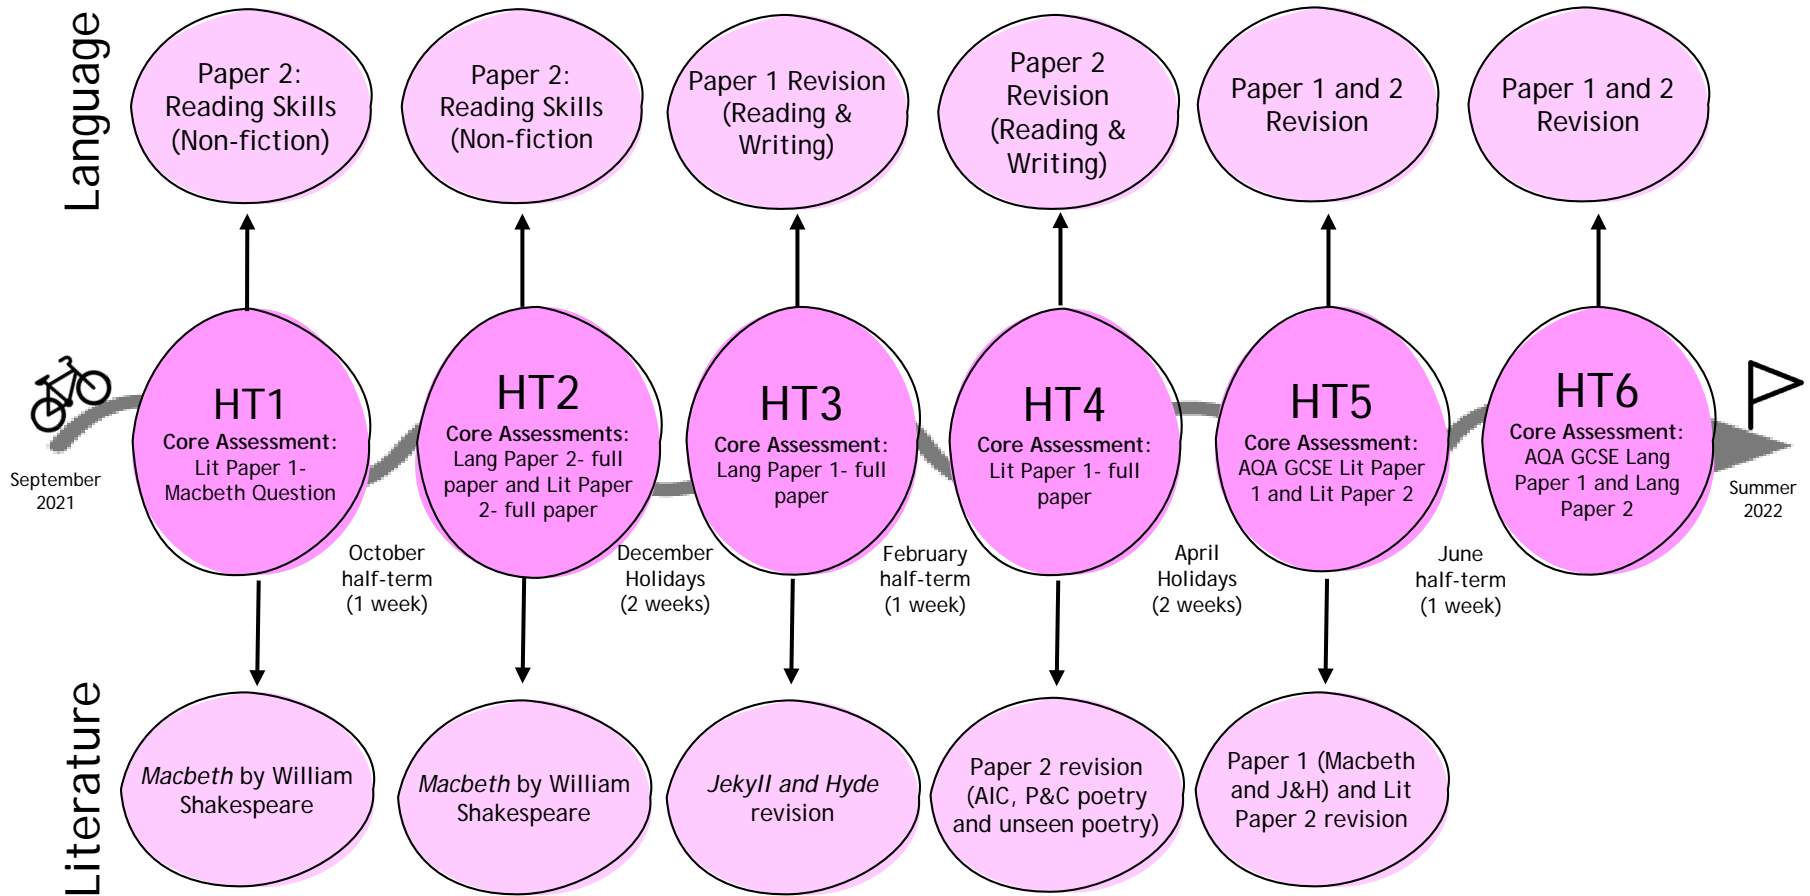

English Literature and Language are closely related so the skills and knowledge you develop are going to be **interlinked**. This year you will be **pioneers**; exploring both fiction and non-fiction literature. Using these skills, you will also produce your own pieces of fiction and non-fiction writing.

Therefore, you will be learning to *'read as writers and write as readers!'*

My Year 11 Wordsmith Journey: GCSE English Language & Literature

English Literature and Language are closely related so the skills and knowledge you develop are going to be **interlinked**. This year you will be **pioneers**; exploring both fiction and non-fiction literature. Using these skills, you will also produce your own pieces of fiction and non-fiction writing.

Therefore, you will continue learning to *'read as writers and write as readers!'*
