

12th January 2022

Dear Parents/Carers,

Virtual Year 11 Parents' Evening – Monday 7th February 2022

A warm welcome to our first 'Virtual Year 11 Parents' Evening'. Due to the global COVID-19 pandemic, we feel that a virtual parents' evening is the most effective and safest way to hold this event.

Our parents' evening will take place using video appointments. I hope that you will find these extremely valuable in supporting your daughter's progress at this important time. This is an opportunity to discuss your daughter's mock results and ways to move her progress forward.

To book your appointments with your daughter's subject teachers, please use the link below:

You will need to have made your appointments by **Monday 31st January**. If you require help in making your appointments, please call 0161 861 9727.

We look forward to seeing you at this virtual event.

Yours sincerely

Mr M Lea
