

16th September 2025

Dear Parent/Carer,

Year 13 Parents'/Carers' Evening Thursday 16th October 2025

The Year 13 Parents'/Carers' Evening is an opportunity for you and your daughter to meet with all of their subject teachers, to review your daughter's progress and projected attainment. We value our partnership with parents and carers, and meeting with you will help to support your daughter in achieving her full potential.

You will receive a copy of your daughter's latest **Progress Report at the evening containing her results from her recent Formal Assessments or external exams for BTEC courses**. You will be able to discuss your daughter's achievements to date and discuss any concerns. **It is very important that you attend the appointment with your daughter** to help prepare for her external and/or PPE examinations in January/February 2026.

There will also be a careers' stand where an advisor will be available for you and your daughter to talk to.

You will need to book your appointments to see your daughter's teachers through our online booking system, School Cloud. Simply click the link below to get started. **Please ensure that you have made your bookings by Friday 10th October 2025**. If you require help to make your appointments, please call Miss Meredith on 0161 860 2992.

On arrival, please come to the Student Services Entrance where you will be signed in and directed to the appropriate area. Upon arrival, you will be able to collect a copy of your appointments for the evening.

If you have any difficulties in making / attending these appointments, please let us know by contacting the Sixth Form office on 0161 860 2984.

We look forward to meeting you and would like to thank you in advance for attending this important evening to support your daughter.

Yours sincerely

Mr S Mycock
